Additional Questions and Answers Related to Unemployment:

Question: Have the number of weeks eligible for Unemployment Insurance been extended?
Answer: In general, yes. Claimants who have exhausted their benefits under current law (26 weeks), will be eligible for an additional 13 weeks. This benefit will be deployed shortly after receiving Department of Labor guidelines.

Question: When does the additional $600 from the federal stimulus for unemployment benefits start?
Answer: The $600 supplement is expected to begin shortly after receiving guidance from the Department of Labor. The state expects to have some answers by the end of the week.
